May 29th, 2020 - In a sense, Choson Buddhists discovered the old Indian formula for life’s torment. They found that the ascetic solution was available and effective. Like their founder, they had to turn away from the palace and in a place of austerity and concentrated meditation, find their destiny. Choson Buddhism had a dark side to its history.

May 2nd, 2020 - Buddhism in the Early Choson period suffered from great suppression. The society was dominated by the Confucian elite, and there was little power or financial resources available to the Buddhist institutions associated with the fall of the Goryeo Dynasty and the withdrawal of official support.

June 1st, 2020 - In an attempt to distance themselves from the former Goryeo court and rejuvenate the country, the rulers of the new Joseon Dynasty, 1392-1910, severely curtailed the practice of Buddhism and embraced neo-Confucianism as the official state ideology. The systematic repression of Buddhist institutions, which were associated with the fall of the Goryeo dynasty and the withdrawal of official support, marked the official end of the Choson policy of suppression.
